PLEASE NOTE:

- This year's Championship Program Schedule will be designed based on the number of entries received for each event and scheduled accordingly. **Closing date is Friday, 13 November** and the program for our first Championship Night - Friday, 27 November will be available by Friday, 20 November at the latest (copies will be available in the Clubhouse & on the Website).
- On each Championship Night there will be a minimum of 2 Championship Events (this number will vary depending on the age group and their total number of events). In addition to these, we will still be running a number of non Championship Events on each Championship Night in order for there to be the usual number of events for each age group. Therefore, even if you are competing in no Championship Events on any of the Championship Nights there will still be other events to compete in and Club Championship points to be won.
- The remainder of the Championship Program Schedule (Jan & Feb 2010) will be available before our Christmas Break (again there will be copies in the Clubhouse & on the Website).

For any further information/queries please check with one of our Committee Members.
